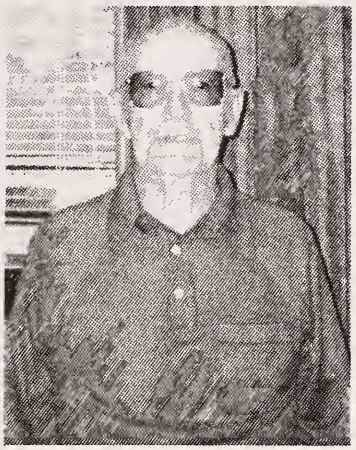
DEDICATION



The Town of Rindge dedicates this town report to lifelong member of this community, Mr. John Crosby, Jr.

Mr. Crosby, (John to his many friends) has contributed a lifetime of service to our town, and in particular, the Rindge Fire Department of which he is a charter member, joining at its' inception, back in 1925.

In December of 1993, John retired as the Fire Warden of the Town of Rindge, after serving in that position for forty five years. At that time, the State of New Hampshire bestowed on him, the lifelong title of "Honorary Fire Warden".

He has also served this community in many other ways; as Constable, Health Officer, Road Agent, and also the position of Special Deputy.

The community takes great pride in honoring him for his dedication, commitment, and devotion.

Thanks John for a job well done!

Cover: The Board has been trying to come up with a Town Seal for many years. This year, it has come to fruition thanks to the wonderful artwork of Susan Johnson. We gave her a bicentennial coin that had the picture you now see on the front cover, and she put her talent to work and came up with a "Town Seal" for us. Susan is the daughter-in-law of Don Johnson, our new Emergency Management Director. She has her own company, Adccentric Design, located in Mason, N.H. The Town of Rindge says "**THANK YOU** Susan for your efforts on our behalf.

REPORT OF THE SELECTMEN

1993 started off on a positive note with the Town of Rindge applying for and receiving a $350,000 Community Development Block grant from the Office of State Planning. Members of the Monadnock Tenants Cooperative asked to have the Board of Selectmen apply for this grant on behalf of the mobile home park. The grant will be used for a Community Waste Water Treatment System, improvements to the storm water drainage system and to create a fire pond.

The Board is faced with a salt contaminated domestic water problem on Payson Hill Road, and are working to find the most economical solution for both the homeowners and the taxpayers.

The Town saw a changing of the guard with the election of a new Town Clerk/Tax Collector. Carol Donovan has done a great job and certainly made good on her campaign promises. She expanded her office hours to include Fridays and one Saturday a month. You can now come to the office and do renewals on your registrations and in early 1994, she will be doing plates and transfers.

The Board, with much help from our newest Selectman, Scott Douglas, finalized the Personnel Policy Manual, researched and rewrote ordinances that are now in one place and accessible to the public, and are now working on job descriptions for all Town employees.

Peter Anderson resigned as Civil Defense Director in May. In June, the Selectmen appointed Don Johnson of Little Michigan, as our new Emergency Management Director. Don has taken his job seriously and attended many classes and seminars on how to handle various disasters. He has put together an Emergency Operation Plan which will be published in 1994. Don is doing a great job and we all appreciate his efforts.

We would like to take this opportunity to thank the Town Employees for their hard work and dedication this year. The Highway Department has done an excellent job, under the supervision of Road Agent Peter Anderson, and are to be commended on their hard work and the upkeep of our Town roads. Thank you to the many Boards and Committees that volunteer so much of their time to this community, and last but not least, we wish to thank you, the taxpayer, for your patience, understanding and support.

SELECTMEN OF RINDGE, NH

REPORT OF THE BUDGET COMMITTEE
1994

During the past year, Selectmen invited the Budget Committee to attend two different meetings to review expenditures for the current year. These occurred after six months and after nine months of expenditures. Both meetings were very helpful in establishing a working relationship and with helping new Budget Committee members better understand the budget process. They also helped when Selectmen began budget meetings with department heads for the next fiscal year.

The development of a new budget is a tedious and somewhat tension-filled ordeal both for Selectmen and department heads. Many factors must be considered, not the least of which is the long-term good of the community. As Selectmen attempt to consider the long-term good, the short term needs of department heads who are facing constant requests or demands for services can easily override initial, well-intentioned plans.

The Budget Committee generally agrees with the proposed 1994 Budget. In some areas though, the Budget Committee has concerns. The committee, for example, feels that a salary increase of 4% for town employees is extremely generous when coupled with the warrant article increasing the town's retirement contribution from 2% to 3%.

The planned warrant article for an addition to the Town Hall draws mixed reviews from the Budget Committee. The committee understands that, due to the federally mandated accessibility requirements, doing only some building modifications is not an option. Half the committee however, is apprehensive about the cost for an addition when there is serious financial concern relating to the town's current water problems. Half the committee remains concerned about inadequate meeting and staff space, Town Hall heating system problems, and accessibility to various offices.

In addition, the Budget Committee is divided about purchasing the Hazel Allen property as proposed on a warrant article. Having a Community Center will add considerably to the quality of life for many people in Rindge. Entering a project of this nature however, will tax the community's finances during a year when other major issues confront the Town.

The Budget Committee is particularly concerned about initiating any capital improvement projects while there is no capital improvement plan in place for the Town.

During budget discussions this year, the need for long-range planning regarding the budget came to the fore. It is difficult for Selectmen who must be constantly concerned with the current bottom line and tax rate to deal with budget planning of long-term nature. That there will be surplus this year is a credit to the Selectmen's efforts and the efforts of department heads to keep down expenditures. The Rindge of the future however, must receive more long-term thought.

What are the major projects and expenditures facing the Town? What are the long-term issues facing the town? ***What are the town's priorities for the future?*** Rindge needs to consider these substantive issues for the good of the community and to obtain the best return from its limited funds. Currently there is little time available for their consideration in the budget process.

REPORT OF THE PLANNING BOARD

The Board held 30 meetings, which included 16 formal public hearings on subdivisions and site plans, 7 work meetings, 5 site inspections, 2 zoning amendment hearings. In addition, there were several committee meetings involving the Capital Improvements Plan and the Shoreline Protection Ordinance.

During these meetings the Board reviewed three minor subdivision applications, of which one was approved and two were still pending at the end of the year; two major subdivisions, one which was approved and one was continued into the 1994 calendar year. These subdivisions created a combined total of 14 new building lots. Also approved by the Board were six Technical Subdivisions (which do not create building lots) and eight Site Plan Reviews of commercial development.

Chairman Paul Susca resigned from the Board in March and Marion Winters was appointed to the position. Alternate Carl Little was appointed as a permanent member of the Board for the remainder of 1993 until Town Meeting of 1994. In December, Katie Duffy was appointed to fill the remaining open alternate position on the Board.

A major site plan application was presented to the Board in February by Holden Engineers for the Town's first department store. "Walmart" construction began on Route 202 with turning lanes being added along with the installation of traffic lights. The Board feels that the opening of Walmart will precipitate an expected surge of development activity along the 202 stretch up to the intersection of Route 119, within the next few years.

Voters at Town Meeting passed an article adopting an "Underground Storage Tank By-Law" requiring the registration of all underground tanks of 1,100 gallons or less not regulated by the State. Also, after a controversial issue dealing with a sign displayed by "Cathedral of the Pines" which did not conform to the sign ordinance, the Planning Board proposed an alternative approach to the sign ordinance recommending an amendment which allowed more flexibility in the size of a sign, by the issuance of a permit granted by Special Exception from the Board of Adjustment. This recommendation was adopted by the voters and provided an avenue for the Cathedral to apply for a legitimate permit and legally display the sign.

As required by the State Statutes, the Board began enforcement procedures for the reclamation of an excavation site. In November, a judgement of the Superior Court ordered the owners of a gravel pit to post a bond in the amount of $60,000 to insure restoration of the land disturbed by the removal of earth materials. This was a major step forward in the direction of the Board's desired goal to have all the abandoned and inactive sites reclaimed to protect natural resources and the environment.

This year, the Board contracted with Southwest Region Planning Commission to begin the initial stages of drafting Geographic Information Systems maps. This digitized form of mapping will be a powerful planning which will identify different features such as waterbodies; steams; soils topography; roads etc. Our request for a base map, parcel and zoning overlay should be completed soon, and the Board will be working with other departments to add overlays and upgrade the mapping system to benefit all departments.

Three requests for dredge and fill permits, special exceptions, were granted with the recommendations of the Rindge Conservation Commission.

The Board of Adjustment approved their Rules of Procedures.

REPORT OF THE RECREATION DEPARTMENT

This seemed to be the year of the lights. After much hard work and dozens of hours of labor, lights were installed at the ballfield at Wellington Park. Sincere thanks go to the RAMS organization for their donation of $2500.00 and to all of the volunteers who contributed their hard work and expertise. A special thanks to Tom Duffy of Duffy Electric for the installation and the wiring that he so graciously donated.

Each holiday season colored lights decorate the large evergreen tree in the center of town. This year white lights were strung on nine additional trees outlining the common. Local businesses and organizations donated the funds for the lights and Ron Hansen of Hansen Electrical provided the labor for the wiring. To celebrate the occasion a tree lighting ceremony was held with approximately five hundred community members in attendance. Thank you to everyone who helped make this event such a success.

Another new project this past year has been the removal of the large mound of earth directly in front of the Wellington Park tennis courts. The Army Corps of Engineers has undertaken the project and although the process has been somewhat slow, they will be finishing up during the spring. By leveling this area we will gain considerably more parking space which in turn will help make the Park a safer facility.

The department continues to offer a variety of programs for children and adults. The gymnasium at Rindge Memorial School is in use five evenings per week with various activities and classes. We welcome suggestions for new programs--please call the office with any ideas you may have.

Thank you to all of the many individuals, businesses and organizations who volunteer and assist with special events and activities during the course of the year and especially to the members of the Recreation Committee for all of their support, cooperation, time and ideas.

Respectfully submitted,

Barbara B. Young

REPORT OF THE RINDGE HIGHWAY DEPARTMENT

The 1992 Primary Road projects were as follows:

Mountain Road in from Route 202, 3,720 feet, regraveled portions, recycled existing pavement, then added two inches of base and one inch of top using hot top.

Robbins Road from the Massachusetts line, to Rand Road 3,010 feet. This included removing the two S curves, relocating approximately 500 feet of new construction and new intersection for Rand Road. Also, we recycled the existing base and replaced with the three inches of hot top.

Perry Road from North Street to Old New Ipswich Road, 5,610 feet, regraveled two sections, recycled existing pavement and replaced with three inches of hot top.

The Transfer Station was a GREAT SUCCESS in 1993. We shipped 54 compactor loads to be landfilled. This is down 11 loads from the 65 that was estimated for 1993 and down approximately 60 loads from the time we were not recycling. The largest expense at the Transfer Station is landfilling, each compactor load cost an average price of $900.00 per trip. As markets for recycled products open, we will expand our operation at the Recycling Center, thus reducing our landfilling.

This year, we installed a waste oil furnace and a glass crusher. The glass crusher was built by the Highway Department personnel. A large portion of the funds used to build the crusher came from the Cub Scouts of Rindge. ($800.00) **Thanks** Cub Scouts Pack 308 and Leaders. Revenues brought in at the Transfer Station exceeded $10,000 this year. $700.00 of that money was donations that were made at the Good Will Shop. **Thank you!**

I would like to take this opportunity to praise my employees, both at the Transfer Station and the Highway Department. I feel they have done an outstanding job serving you the taxpayer.

This years "Sidewalk Superintendent Award" goes to Ed Stevens for putting up West Main Street signs and to Wayne Pike for spending all summer laboring in the Hillside Cemetery.

THANK YOU! THANK YOU! THANK YOU!

REPORT OF THE CODE ENFORCEMENT OFFICER

1993 was a busy year in comparison to 1992, with the inspection of plans and approved building permits for construction of 23 residential buildings, 28 garages and carports, 12 decks, 2 major construction projects, Walmart and a 60 unit residential building at Franklin Pierce College, and numerous other small projects throughout the town.

During the course of 1993, the Office of Code Enforcement sent several letters to residents and businesses with notice of violations of the Zoning Ordinance and issued only two official "Cease and Desist Orders". Fortunately, most residents are willing to comply with the Town's Zoning laws when gently reminded that they are in violation.

The office of Code Enforcement works closely with Scott Ellis, of the Rindge Fire Department, to monitor construction for compliance to applicable safety codes and I would like to thank him for his valued assistance in our effort to make buildings constructed in the Town of Rindge safer.

Arthur F. Quebec

Now, more than any other time in our Nation's history, society calls upon the police officer to cope with the collapse of a range of social institutions: the failure of primary and secondary schools; the collapse of affordable health services; the deterioration of the traditional family structure and even the loss of on's home and job. Without question, the uncertainties and instability that stem from these social and institutional failures contribute to crime and make more demands on law enforcement than ever before.

Fearing crime, or becoming one of its victims, is to lose a fair measure of freedom that we all enjoy and have come to expect. But, have we all gotten far too accustomed to, and accepting of, crime and violence? Has the public and the police alike acquired a new tolerance to both? Perhaps it's because we know that law enforcement can't work miracles. We know that the problems that land on the doorstep of law enforcement stem from vast social failures that the police alone will never solve.

Society's increasing tolerance of crime and antisocial behavior, in general, is abetting our own enslavement. There is an expectation of crime in our lives. We are in danger of becoming captive to that expectation and to a new tolerance of criminal behavior. We can ill-afford to become numb to crime and the community erosion it causes. The police and the public should insist on a new level of intolerance. The police and the public must work together to forge a strong alliance to make life disagreeable, even dangerous, for criminals. We must all work together to demand our Town, State, and Federal governments commit the kind of resources that will be felt on the street. Together, we can make a difference.

REPORT OF THE INGALLS MEMORIAL LIBRARY

We have had a wonderful year. Our circulation figures are increasing. Our total circulation in July was 3,272, a record for us.

We thank our faithful volunteers and welcome our new ones; Rose, Joan B, Nancy, and Joan W. They do a wonderful job and we would be lost without them.

Our annual Christmas Open House was in honor of the "Friends of the Ingalls Library" and was well attended. It is such a festive time for friends to come together and enjoy each others company.

The new hours of the library are available at the library circulation desk on a refrigerator magnet. They cost $1.00 each and are supplied by the Friends Group.

In the children's room on Tuesday evenings at 6 PM we have started a "Children's Choice" program. Volunteers come in and read a book that a child choses.

The summer reading program was a huge success as usual and we are already thinking about new books for 1994. Thank you for your patronage.

INGALLS MEMORIAL LIBRARY
REPORT OF THE TRUSTEES

Exciting things are happening at our Library as we begin to plan for the celebration of our centennial in 1995. We hope that most of you will help us make this event really special.

During the past year, we have been busy keeping up with the regular maintenance of a public building. Thanks to the generosity of the voters at last year's Town Meeting, we were able to replace a leaky roof. We now have a new sign which specifies our extended hours and alerts the public about special Library events such as Wednesday Coffee Club and Children's Story Hour. With the help of town employees, we installed a new oil tank. We also purchased a new television for the meeting room.

The Friends group, under the leadership of Jack Dark, continues to enhance Library services. They donated a season's pass to the Christa Mac Auliffe Plantetarium in Concord; have frequent work meetings where they help with special projects such as painting the bathrooms, sorting magazines, mending books, etc.; and they frequently feature local persons speaking on a variety of topics at regular meetings.

A real cooperative effort exists among the Trustees, Library staff, volunteers and Friends as we continue to strive to meet the needs of all our patrons. Our continued goal is to make the Library an information center with a variety of reading, video and audio services for everyone--a place we all **love** to go.

REPORT OF THE HISTORY COMMITTEE

As in the past, the Rindge History Committee continues to gather information relative to the Town of Rindge.

We are always seeking any material of interest. Please think of us when you come across old pictures, letters, manuscripts, diaries, reports, including school items. We would be happy to have copies, if you do not wish to part with originals.

During this year, we have received letters seeking genealogy related to Rindge families, we have researched and answered these letters. In some cases they have been seeking cemetery records. Thanks to the excellent records compiled by Lewis L. Gregory on the Meetinghouse Cemetery, we have been able to assist these people.

Work continues on the histories of old houses. They are being researched and recorded right along.

The History Committee has made material available to the local school library and Linda Bussiere, of the Committee, has given lectures at the Rindge Memorial School and the Jaffrey-Rindge Middle School.

We continue to look for people willing to volunteer sometime. We have projects that would be interesting to those who love history. Keep us in mind if you wish to volunteer.

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission (CC) monitors and protects the natural resources of Rindge. During 1993, the CC reviewed four dredge and fill applications and sent recommendations to the Board of Adjustment and the State Wetlands Board

They conducted 20 investigations due to citizen inquiries or complaints or at the request of the Code Enforcement Officer, Selectmen, Board of Adjustment, Planning Board, or state Wetlands Board.

Members attended the regional Conservation Commissions' meeting and participated in meetings held by the Planning Board on shoreline protection.

The Commission hired Rick Van de pol, of Ecosystems Consultants, for comparison evaluation of five distinct wetlands throughout the town. Letters were sent to the owners of the 190 properties included in the survey. Only two owners declined to participate. A public meeting was held to explain the project to the town.

Formal Rules of Procedure were drafted and after a public hearing were officially approved by Commission.

Jeanne Carguilo was hired as secretary. David Rowell resigned and Sheila Ames became his replacement.

Kristen Carguilo was given a scholarship to the Community Conservation Camp sponsored by the Society of Protection of New Hampshire Forests. The scholarship was given by the Monadnock Bank and Edward Stevens.

The CC meets on the 4th Wednesday of each month at 7:00 p.m. at the Ingalls Memorial Library with the public invited to attend.

Vehicle Fires	4
Nuisance Fires	14

This total shows a 23.7% increase in activity over the past year. Public Assistance, False Alarms, Auto Accidents and Medical Emergencies show the greatest increases.

TRAINING

	MANHOURS PD.	DONATED	TOTAL MANHOURS
Fire	803	2082	2885
EMS	252	512	764

Training has increased proportionately with the increase in number of incidents. Recertification of several EMS personnel along with regularly scheduled fire training has paid significant dividends to the Town of Rindge.

BUILDING & APPARATUS MAINTENANCE

MANHOURS PD.	DONATED	TOTAL MANHOURS
294	167	461

Efforts from Lt. Murphy, Firefighter Hoard and many others are responsible for the many donated hours. The volunteers of the Rindge Fire Department continue to donate more time to the needs of the community than they are paid for, reflecting an interest in their community and by example, showing that volunteerism isn't a forgotten responsibility.

Rindge continues to grow both residentially and

commercially. The Rindge Fire Department reflects this growth through training and equipment. Our Master Plan is in place until the year 2010. Our replacement schedule for worn equipment through the Capital Reserve continues to keep our department up to speed.

This year, the Rindge Fire Department added a Containment shed in the rear. This shed will house hazardous wastes along with bulk oils and antifreeze in order to comply with codes. We have also received a specialized washing machine which allows Firefighters and EMS personnel to wash turnout gear and comply with blood-borne pathogen policies. We are presently in the process of plumbing the washer to our septic system.

The Department has in place, a Preventative Maintenance Program that contracts to have our pumps tested semi-annually reflecting a major decrease in the cost of apparatus maintenance. Regularly scheduled maintenance was provided in-house.

Training in 1993 has seven Rindge Firefighters at the National Fire Academy in Emmitsburg, Md., four EMS Recertification Courses, and six Firefighters went through a 120 hour Certified Level One Firefighter Course. Rindge has also participated in training sessions, workshops, and seminars for all level fire and EMS personnel through Meadowood County Area Fire Department, the N.H. Association of Fire Chiefs, the Association of Arson Investigation, and the Mass. Fire Academy.

The Rescue personnel will sport a "new look" for 1994 because of the generous support of the Rindge Firefighters Association. The Association has purchased new gear for all EMS personnel so they will be easily identified at the scene of any emergency.

Our statistics reflect a "working" Fire Prevention Program led by Deputy Chief Scott Ellis. Scott has attended several NFPA and BOCA Code seminars and workshops to understand the workings of the Basic Fire Prevention Codes. One structure fire, a garage, attests to the importance of a good code enforcement/inspection program.

The Board of Firewards wish to thank the members of the community that continue to support the efforts of their call Fire Department. In particular, we wish to thank the Board of Selectmen, the Rindge Highway Department, the Jaffrey-Rindge VFW Ambulance attendants, the Jaffrey-Rindge Chamber of Commerce, and any organization or department that we have inadvertently missed.

Respectfully submitted,

Board of Firewards

REPORT OF EMERGENCY MANAGEMENT DIRECTOR

Point of clarifications: Emergency Management Director was previously titled Civil Defense Director.

Since assuming the duties of Emergency Management Director in June, 1993, I have had the opportunity to attend 75 hours of classes and seminars covering various types of emergencies, the importance of having a written plan, understanding operating procedures, and the legalities of providing disaster plans and services for the community.

The state coordinator of Emergency Planning has met with me several times to assist in drafting an emergency operation plan for Rindge, and has been a valuable resource.

In October, the New England states were involved in a two day exercise on earthquake preparedness (CIVEX 93). Rindge was one of the few communities in New Hampshire that participated. It was a valuable learning experience, and went well considering it was our first attempt.

I have attended the monthly staff meetings, updating the members on pertinent information, have offered suggestions, and have appreciated their input as emergency planning moves forward.

Plans for 1994: The Rindge Emergency Operation Plan to be published. Work on the establishment of a local emergency planning committee to handle hazardous material problems. Emergency electrical facilities to be considered for the Town Office building. The distribution of 500 copies of "Are You Ready?", a guide to disaster preparedness, to the residents of Rindge.

I want to publicly thank Bruce Hietala for all the time and energy he has given in helping me since I volunteered to become the Director of Emergency Management.

Donald F. Johnson

REPORT OF JAFFREY VFW MEMORIAL AMBULANCE SERVICE, INC.

The following report was submitted by the Jaffrey VFW Memorial Ambulance Service, inc. so that the Taxpayers of the Town of Rindge can appreciate the savings in our town budget, by the donations received to operate ambulance service, and the volunteered hours by the Emergency Medical Technicians. (Note: the EMT's affiliated with the Jaffrey VFW Memorial Ambulance Service, Inc. do not receive any compensation for their time. The $6.50/hour compensation is based on the average volunteer firefighter's pay in order to assess the total savings incurred by this service.)

MONADNOCK
FAMILY
SERVICES
An organization of caring professionals

454 Old Street Road, Suite 303
Peterborough, NH 03458
(603) 924-7236

Summary of Services to RINDGE Residents from October 1, 1992 through September 30, 1993

* Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights per week. The Jaffrey District Office is open four days and two evenings per week. Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year.

* Services we offer in addition to Emergency Services include: Psychiatric Assessment and Medication Treatment, Case Management, Residential treatment and a Day Treatment program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough and Jaffrey offices of Monadnock Family Services served over 769 individuals, with more than 15,510 visits for direct treatment.

* It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

* This past year Monadnock Family Services provided 995 visits of direct treatment to RINDGE residents. Of the 60 open cases, 24 were male and 36 were female, 21 were under the age of 18, 37 between the ages of 18 and 59, and 2 were 60 or older.

* Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

* MFS Adult Care Center was open over 912 hours in 1993, with an average daily attendance of approximately 15 clients. We provided provided over 15,048 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

* The dollar amount requested from your town to help us continue offering these services, is arrived at by multiplying the1992 population estimates (prepared by the NH. Office of State Planning) figure by $1.00. This per capita amount inlcudes no increase in four years. The amount we are requesting is $5,021.00.
